A Message from Brandi...

Thank you to those who attended June's Coffee Chit-Chat and Movie Matinee events! It made my heart happy to spend quality time with "My Seniors". I look forward to seeing you all this month, during our many events! The August Membership meeting is on Wednesday, August 10th and our theme is "GREASE". Let's all dress up and have fun! We will keep the momentum going by showing the movie "GREASE" at our August matinee. Our August Coffee Chit-Chat will be moved this month to August 19th at 9am in the dining room.

We are in the midst of doing so many great things with, and in, the community. We are participating in the Friday Flings, holding amazing raffles, hosting our elected officials in our Center, and we are excited to announce our 1st Annual AGING HEALTHY Walk & Mini Vendor Fair, taking place on September 17th. You will see details about this exciting, new, annual event in this month's Chatter.

I have been asked why there is such an emphasis being placed on activities; it is because we care. We want our Seniors to be involved and active; this includes physical activities, artistic expressions, and social interactions. Our purpose is to be here for YOU.

On our 2nd floor, you will be able to see our Golden Heart Lounge. This space has been newly renovated, as an interactive lounge for our Seniors. Our Lounge will have computers, Wi-Fi access, and even a senior gaming station. Come back to the Center and stay for a social interaction.

September is Suicide Prevention Month. In the aftermath of COVID-19, our senior population experienced loneliness and isolation like never before; as a result, our vulnerable population is at an increased risk of suicide.

In response to this crisis, the Alaska Department of Health announced the soft launch of The 988 Suicide and Crisis Lifeline in Alaska. A larger media campaign and celebration is being planned and we will keep you in the loop.

SUMMER'S BOUNTY AT THE GIFT SHOP!

It's that time of the year again, summer is ending, and fall is just around the corner. Where does the time go? The state fair is about to begin, school will be starting soon, and it's time for harvesting summer's bounty. If berry picking is in your future, extra bug protection might be a good idea. The gift shop carries Denali Dreams Borealis Buzz Off. Unlike most bug sprays which are loaded with questionable chemicals, Buzz Off is made of only essential oils containing cedarwood, rosemary, and citronella. Its fragrance is an anathema to bugs while pleasant to humans. Bugs hate it and stay away, keeping you bug and chemical free.

Berry picking means jams and jellies. Making such summer delights includes a need for aprons, washcloths, towels, and something to mop up messes (yes, we all make them when producing great kitchen creations). The gift shop is ready to make kitchen time extra enjoyable with an outstanding collection of aprons; some are created just for canning and jelly making. We have also added a great grouping of handmade cotton washcloths. In addition, Dee Gratrix (who learned to crochet at the age of 23 with the help of her sister-in-law) has added unique shapes, such as U.S. flags and hearts, to our collection. Be sure to pick up some oven mitts and bowl cozies while you're at the gift shop as well. We have a wide variety of colors and styles of each. Remember, a bowl cozy is not only for hot foods, but can also be used for cold foods, like ice cream.

The gift shop team is very excited about the great collection of sea glass jewelry that we have just added to our shelves! Crafted by the artists of Alaskan Reflections, these pieces include necklaces, earrings, and bracelets. They feature beautiful, weathered pieces of glass in a variety of colors; paired with cut copper or fanciful wire wraps. Each piece of glass has been collected from ocean beaches and tumbled in salt water, creating a frosted, unusual color, and texture. Each piece is unique and must be seen to be appreciated. Stop by the gift shop soon as these stunning pieces will not last long.

There's still time to plant wildflowers or send a packet of Alaska's best to a friend outside the state. The gift shop is once again featuring packets of fireweed, shooting star, lupine, forget-me-not and other Alaskan wildflower seeds in attractive packets. They are a wonderful item to slip in a card or letter and their hanger packet style makes them a great addition to a bottle of wine.

Our blank card collection has just been greatly enhanced with a grouping of Karen Whitworth Gallery cards. Whitworth's art reflects her Alaskan heritage featuring puffins, whales, fireweed, and glimpses of Mt. McKinley. Her art is stunning and as a special bonus, she adds a postcard suitable for framing to each card package.

Please drop by the gift shop. We promise that you will find something to delight both your eyes and your pocketbook!
